CASE NUMBER: # HRTI-20210818-000026

JUDGMENT

Comes now, a Judgment and Order from **The Human Rights Tribunal International**, The Human Rights Tribunal International is focused on the facts presented and from the charges brought forth in the charging instrument Linked below.

http://humanrightstribunal.international/?wpfb_dl=926

Whereas, the violations of the UDHR and Public Laws-101 shown through the evidence presented, demonstrates that these conspiring persons (Respondents) seek to enslave the Claimant by trafficking the person.

Whereas, The Respondents 1-5 are members of a private membership association (BAR), and a foreign society (Law Society) shows clear and convincing evidence that Respondents are guilty of violating all thirty articles of the Universal Declaration of Human Rights and Public Laws-101 according to the evidence provided within the True bill of indictment, and

Whereas, the Respondent(s) are not recognizing the intangible rights of Claimant and classifying Claimant as an inhabitant without the right to change claimant's political status. The Affidavit of Fact from the Claimant shows that the Claimant is no longer a U.S. Citizen with any obligation or contract to the suspended Driver's license at issue. The Municipal Court of the City of Paola and the Respondent *Sheila Marie Schultz* is forcing the Claimant to answer for an entity (person) and contract (drivers license) that has been cancelled through the Cancellatura of Foreign Instruments Act of 2013 [LINK](#) when a nationality was claimed with the Government of The United States of America. The evidence shows that slavery is being enforced through the denial of a nationality and forced association with the city of Paola and its Court.

HRTI Judgement and Order- Page 1 of 5

Whereas, the Private Court of the City of Paola operates as a private code enforcement unit within the political subdivision of the state of Kansas, United States. There is no evidence of a written Social Compact Agreement which demonstrates that there is no Body Politic, therefore the City of Paola, Kansas, United States has no permanent population and is violating the Law of Nations Book I, Chapter XIII § 158.

Whereas, the Notice to cease and desist that was sent by Claimant's council to settle the matter was not even considered, not understood, and was dishonored and disrespected in open court. The offer by the Claimant to go to peace was viewed as a threat. The Claimant is no longer responsible to navigate the Respondents Court. The case referenced as (# 202450) has a terminal defect as the Person identified as the Defendant with name and address and #DL-K03103370 is cancelled and no longer exists. The allegation of driving on suspended license that holds the charge is null and void. If Respondents do not correct the record with respect to the Change of this entity, then the Respondents are continuing to traffic in persons and are slavers in fact. Respondent *Sheila Marie Schultz* is unwilling or incapable of recognizing an American National with affirmation to The United States of America, and one of a permanent population of the States of the Union.

Whereas, it is therefore Judged that the Respondents are Human Rights violators and stand in violation of the UDHR which are the Public Laws-101 for the harm the Respondents have caused and continue to cause.

Whereas, The Respondents are Human Rights violators of the UDHR Article 3, Everyone has the right to life, liberty and the security of person. Article 4, No one shall be held in slavery or servitude; slavery and the slave trade shall be prohibited in all their forms. UDHR Article 15-1. Everyone has the right to a nationality. 15-2. No one shall be arbitrarily deprived of his nationality nor denied the right to change his nationality. UDHR Article 20-1. Everyone has the right to freedom of peaceful assembly and association. 20-2. No one may be compelled to belong to an association.

Whereas, the Respondents use usurped authority to enslave the inhabitants (U.S. Citizen) and disregard the security of person and the freedom that the Claimant achieved through declaration, affirmation, social compact, by the claiming of Nationality with The United States of America. Thus, the Respondents impose slavery in violation of the UDHR article 4, and Public Law 101-4, which stands as a violation of all thirty articles of the UDHR and Public Laws-101.

Affirmed and Acknowledged by the Human Rights Tribunal on this 200th Day in the year of Yahweh 6023 Translation (5th Day of October 2021)
