AFFIDAVIT OF FACT

Date- The 106th Day in the year of YHWH 6024, Translated (July 3rd, 2022)

Comes now Daniel Sullivan, General Manager of the Continental Public Bank (hereinafter “Affiant”) being competent to testify and being over the age of twenty-one years, after first being duly sworn according to the law to tell the truth to the facts related herein states that Affiant has first-hand knowledge and belief that these facts are true to the best of Affiant’s knowledge and belief, and;

1. Affiant states that on June 8th, 2022, Robert S Radnich (hereinafter, “Respondent #1”) publicly posted a document that erroneously identified the UCD token which is backed by the Continental Public Bank as fraudulent assets. This is displayed in Exhibit #2 and Exhibit #3. The Continental Public Bank and its members were convicted and found guilty without a sworn affidavit, no indictment, no discovery, no trial, no jury, no service of process, never able to question any witnesses, never able to question the accuser, the manager was never served, there was no judge, no prosecutor, no jury of our peers, no court date, no actual trial. Respondent #1 impersonated a witness, investigative officer meaning a police officer, a prosecutor, a Grand Jury, a jury of our peers, a bailiff, a judge and arbitrarily rendered a judgment by publishing the verdict in a publication for the world to see. This is consistent with the communist culture that Respondent #1 is advocating. Respondent #1 was notified of the errors and presented facts that clearly disputed the fraudulent claims. Respondent #1 refused to retract his assertions.
2. Affiant states that on June 17th, 2022, Respondent #1’s false claims and failure to promptly correct the errors, caused Lobstr (hereinafter, “Respondent #2”) to blacklist the UCD token on June 17, 2022. This is displayed in Exhibit #4. Respondent #2 blacklisted the Continental Public Bank’s tokens without any notification or trial. Respondent #2’s action to blacklist the UCD based on the false accusation of Respondent #1 is reprehensible and inexcusable. This is supporting the communist rhetoric that Respondent #1 initiated. This action severely damaged the reputation of the UCD. The UCD and UCDD are valid tokens that reside on the Stellar network. These tokens are backed by the Continental Public Bank. The Continental Public Bank is the only Public Bank in existence that is not a part of the American Bankers Association, the federal reserve system, nor the Bank of New York Mellon. The Continental Public Bank is backed by INCUN.1454.b5.

Course of Remedy

The Affiant claims that Respondent #1 needs to publicly retract his false statements and Respondent #2 must remove the blacklist condition.

The Entities named within this Affidavit of Fact who the Affiant has claimed nefarious intent have Fifteen (15) days from the publication of International Notice to give rebuttal or these claims stand as fact.

Further Affiant sayeth naught

Signed on this 10th day in the year of Yahweh, six thousand and twenty-four, and the 3rd day of July in the two thousand and twenty second year of the new covenant in Yahushua's name.

Signature of Affiant,

_____, Trustee

Daniel Sullivan, General Manager of the
Continental Public Bank

International, National and Local Public Notice

Objection in the Matters of Robert S. Radnich and the Continental Public Bank

Robert S Radnich (hereinafter, “Rob”) has claimed that the Continental Public Bank (hereinafter “Bank”) is fraudulent, declaring the Bank requires an address, to have any kind of legitimacy. Rob has been provided the address for the Bank personally, multiple times, and further is not strenuous task to find the address but is given freely on the About Us page of the Bank website. However, Rob continues to twist any reasonable proof to the existence and legitimacy of what the Bank is, to fit Robs Communist Ideology. “The rich will always be rich, I just want a system that is fair and doesn't just continue to funnel money to the top through inflation.” -Robert S. Radnich

This statement clearly shows that Rob is not a Capitalist and continuously pushes a Communist Agenda to further his own belief of this Political Ideology. The Government of The United States of America has outlawed Communism within the metes and bounds and seaward boundaries of The United States of America and these slanderous claims for political aims are not tolerable. Here is the address of the Bank again Rob.

General Post Office Division 3 Superintendent of
Finance RR1 Box #1
The United States of America
Global Postal Code-NAC: 850H2 MR7C8

The Continental Public Bank is the only Public Bank in existence that is not part of the American Bankers Association, the federal reserve system, nor the Bank of New York Mellon. This is the best opportunity that we know for the people to get out from under the Debt Instrument known as the Federal Reserve Note and will not fall to Robs push for the furtherance of a Communist system. The office of the Treasury hereby objects to all slanderous claims coming from Rob regarding the Bank.

ok if its your list, its still bs, and not true, bc all listed tokens here are correct tokens.

I am always looking for facts and information. Please help with what you know, and any information that might not be correct.

continentalpublicbank.com is not a fake minter, it has nothing to do with Q-Anon and has never heard of GESARA. The bank has been open since 2014 and is not a part of the ABA. It has been investigated by the secret service at least 5 times and have found no issues with the bank and its money. The North American National Party started the bank. You have 10 days to remove our domain from your list. You could have filled out the contact page and asked us what the bank is, really bad investigation. Thank you for your cooperation in this matter.

--The continental dollar is not a currency of the US Federal Reserve.
--"The office of the Treasury for the Government of The United States of America" is not a real US Government entity.
--I am a true Bible believing Christian, but the claim "The Continental Public Bank is backed by INCUN.1454.b5. (Gutenberg Bible)" is flat out right false
--There is no such thing as "General Post Office Division 3"
--The "North American National Party" is a political movement of some Q-Anon and "Patriot" members and not a bank
--A real court document that verifies that the publisher was not paid to make a notice about the "Continental Dollar" or about the "Government of the United States of America" or a "Continental Dollar Stamp" does not give any validity to the coin created by some members of Q-Anon (or other "Patriots" or an actual bank.
<https://continentalpublicbank.com/wp-content/uploads/2021/03/continental-dollar-publication-6-13-20-dec-2018.pdf>
--The address given for one of the main "supporting" documents is fictious.
The United States of America Global Postal Code-NAC: 850H2 MR7C8 (does not exist)
Office hours: 9:00 - 9:00 UTC-6 Monday - Friday (5:00am Standard Eastern Time seems like a very questionable time)
Phone: (443) 271-1864 (there is no area code 443)

And the list of falsehoods goes on. I do not doubt that there is a group that stands behind this movement and conspiracy ideas, but that does not give any validation for a bank or a privately minted Token.

My comments/warnings for this token are factual.
"Fake bank, Minter of 4 tokens solely based on a "future" Q-Anon/Patriot bank after a supposed GESARA reset or other government collapse conspiracy"

If you have suggestions for the changes in the description/warning about theses tokens minted by a fake bank. Please let me know.

Exhibit #5

Notice to Rob: This is where it is going to get real for you real fast. We have gathered enough evidence against you and your telegram group and now lobstr for multiple felonies. It is a felony to ignore due process, many prosecutors that ignore due process internationally and domestically are fired and most go to jail when prosecuted. Rob, you have held your own court impersonating a judge, a prosecutor, a jury of our peers and have rendered a judgment of guilty against the Continental Public Bank. You never noticed any of the over 2000 members that the bank was even being investigated in anyway. You personally convicted them of being a scam and a fraud with no indictment from a Grand Jury and then you notified Lobstr and Lobstr went along with your Kangeroo court. It is a felony to impersonate a court officer(s). There are many felonies involved in everything you have done. No one has been convicted by a Jury. There was not affidavit filed anywhere. There was never a warrant to obtain a list of the members signed by anyone so everyone of them could be served, nor was there anytime for the members to do an investigation of their own into the bank officers conduct. Legally, you are in deep with multiple felonies. We tried to warn you with the suggestion of communism but you and your mob made fun of that suggestion and went further to convict the Bank members of fraud which has still not been defined to this date and "being a scam" or being called scammers has still not been proven. Affidavits against you are coming forward. Once you published before even contacting the bank is where you screwed up and you kept repeating the same conviction over and over and over which was a felony each time you did it. Then you tried to gather evidence after the fact which by then was too late. You have been noticed and internationally noticed and you will receive all due process you are entitled too. Good Luck and see you soon....
